POLITECNICO MILANO 1863

RICCARDO SBARUFATTI

received the Badge

IDENTIKIT OF CONSULTANT: SOLVE A CASE INTERVEW

from Politecnico di Milano on March 11, 2026

The aim of the course il is to make you aware on the skills required for the role of the consultant and how to approach a technical case during the selection process in a consulting firm. The program is made of 4 sessions, each featuring a different consulting company that will dynamically simulate technical interviews with the students.
